NOTES: (1) The above figures include vessels which were enroute to or enroute from Communist Chinese ports as well as those vessels which arrived in China during the four month period.

(2) Within most flags, individual vessels are frequently "Involved" in more than one month. Therefore, horizontal addition of the above figures will not result in the total number of individual ships "Involved" for each flag, and should not be undertaken except to present a monthly average of "Involvement" for the four month period.
